

Project GRAD Atlanta

Brumley-GRAD Scholar Academic Improvement and College Persistence Plan (AIC2P)

The AIC2P is designed to assist you in improving your academic, personal, social, and financial well-being at your college or university. It provides a framework for self-analysis, study skills development, academic development, and student involvement. We encourage all Scholars to utilize this form in devising a plan for their success each academic term. Answer all the questions on the AIC2P form and refer to it throughout the academic term. Unless specifically requested by the Scholarship Committee, this form is not required.

If this form is a stipulation for reinstatement of the Brumley-GRAD Scholarship by the Scholarship Committee, a copy of the *Scholar Information* and the *Goal and Objective Planning Section* of the AIC2P must be submitted to the Scholarship Committee by the mandated deadline. The *End of Academic Term Assessment Section* should be submitted at the end of that academic term as required. Moreover, if you are unable to fulfill any goals and objectives set forth in the AIC2P, contact the Project GRAD Atlanta Scholar Support Division.

ACI2P End of Academic Term Assessment Section

This form is intended for the use of Brumley-GRAD Scholars to assess the level of success of their ACI2P. With consideration, please answer both questions. If completion of this form is a mandate for reinstatement of the Brumley-GRAD Scholarship, this form must be returned with applicable supporting documents to the Scholarship Committee at the end of the academic term. After review, compliance with the plan will play a part in the consideration of the Scholarship Committee in deciding whether to reinstate the scholarship for subsequent terms.

According to your ACI2P, what goals did you accomplish this academic term?

Regarding your ACI2P, what goals were you unable to meet? Provide reasons for not meeting those goals?

Based on this experience, what practices are you going to implement to help you remain and become more successful in college?
